ROCK ART PROJECT

A fun and easy project to nurture creativity.

You'll need:

Reeves Acrylic Paints
- your favourite colours
Reeves Gesso 200ml
Reeves Acrylic Brush set
plus
10-12 smooth rocks

Get the whole family sharing the fun of Rock Art.

Step 1

Gather up a range of coloured acrylic paints and your smooth stones or rocks.

Step 2

Paint each stone on both sides with Gesso for a white surface that is ready to paint.

Step 3

Leave one side to dry overnight before painting the other side with Gesso. Two coats may be required.

Step 4

Paint rocks with one coat of acrylic paint in a range of bright colours. Allow to dry before adding a second coat.

Step 5

Decorate rocks with a variety of graphic patterns, in contrasting colours.

Step 6

Arrange your painted rocks at the base of a pot plant to add fun and vibrancy to your garden space or interior.
